My Music is a streaming personal music network service that allows its subscribers to access the music collection stored on their computer and listen to it no matter where they are. The My Music software scans for music databases, like iTunes® and allows you to access it via any resided device (iPhone/iPad Apps, internet radios, mobile phones and computers). My Music lite and free internet radio player are included on the FREE JENSEN Rocker App! My Music is powered by Play Anywhere®, more information on Play Anywhere® available at www.catchmedia.com.
